impaired appointed under section 9 of this chapter.

Sec. 5. As used in this chapter, "vending facility" means an automatic vending machine, a snack bar, and auxiliary equipment necessary for the sale of newspapers, periodicals, confections, tobacco products, foods, beverages, and other articles or services dispensed automatically or manually and prepared on or off the premises in accordance with all applicable health laws.

Sec. 6. As used in this chapter, "visually impaired" refers to an individual who has a visual acuity between 20/60 and 20/200 in the individual's better eye with the best correction or a corresponding loss in visual field.

Sec. 7. (a) The commission for the blind and visually impaired is established to develop and provide services to maximize employment opportunities and to increase independence and self-sufficiency for individuals throughout Indiana who are blind or visually impaired.

(b) Programs, projects, and activities of the commission must be carried out in a manner consistent with the following principles:

- (1) Respect for individual dignity, personal responsibility, self-determination, and pursuit of a meaningful career based on informed choice.
- (2) Support for the involvement of an individual's representative if an individual requests, desires, or needs support.
- (3) Respect for individual privacy and equal access, including information in accessible formats.
- (4) Integration and full participation in society of an individual who is blind or visually impaired on equal terms with other individuals.

Sec. 8. (a) The commission consists of five (5) members:

- (1) appointed for a term of three (3) years by the governor in consultation with recognized consumer groups of blind individuals in Indiana;
- (2) qualified to serve based on knowledge and experience in rehabilitation and related services for the blind; and
- (3) at least three (3) of whom are blind or visually impaired.

A member of the commission may not be employed by the commission during the term of membership.

(b) The commission shall meet quarterly and at other times as the commission determines.

(c) The chairperson of the commission shall be elected annually by the members of the commission.

C

y

(d) Three (3) members constitute a quorum for conducting business.

(e) Members of the commission:

(1) may not receive salary per diem; and

(2) are entitled to per diem consistent with IC 4-10-11-2.1(a).

Sec. 9. (a) The commission shall appoint an executive director who meets the qualifications established by the commission, including:

(1) appointing a person with knowledge and experience in rehabilitation and related services for the blind and visually impaired; and

(2) giving preference to an individual who is blind or visually impaired.

(b) The executive director:

(1) is the chief administrative officer of;

(2) serves as secretary to; and

(3) is a nonvoting, ex officio member of: the commission.

(c) The executive director is appointed for an indefinite term. The executive director may be terminated for cause as determined by a majority of the members of the commission.

Sec. 10. The executive director shall employ field agents, teachers, and other personnel as state merit employees under IC 4-15-2. The salary and compensation of persons employed under this section shall be set under IC 4-13-2-14.6 and IC 4-15-2.

Sec. 11. The commission has the following powers and duties:

(1) Develop and carry out a state plan for vocational rehabilitation services under section 101 of the Rehabilitation Act of 1973, as amended, for individuals who are blind.

(2) Provide independent living services under Title VII of the Rehabilitation Act of 1973, as amended, for blind and visually impaired individuals, including services for older individuals who are blind or visually impaired.

(3) Establish, equip, and maintain at least one (1) orientation and adjustment center to provide prevocational and other training, including:

(A) instruction in braille;

(B) use of a long white cane for independent travel;

(C) homemaking and home management skills; and

(D) communications skills, including the use of computer technology;

to prepare blind and visually impaired individuals for

eventual vocational training, job placement, and independence.

(4) Establish and carry out a small business enterprises program and serve as the state licensing agency for blind individuals under the federal Randolph-Sheppard Act (20 U.S.C. 107 et seq.) and sections 13 through 20 of this chapter.

(5) Establish and administer a statewide program to certify individuals who are qualified to teach braille to blind and visually impaired individuals, including elementary and secondary school students, using performance criteria based on the national literary braille competency examination administered by the Library of Congress.

(6) Purchase and distribute specialized equipment, devices, and technology, including low vision aids.

(7) Create and maintain an instructional media center for the production, purchase, distribution, reallocation, and warehousing of accessible materials for blind children and adults in addition to and in cooperation with other existing information sources.

(8) Provide technical assistance and training in cooperation with other agencies to assist the department of education and local education agencies to provide auxiliary aids and services to blind students and parents and teachers of blind students to comply with the Americans with Disabilities Act (42 U.S.C. 12101 et seq.), as amended, and the Individuals with Disabilities Education Act (20 U.S.C. 1400 et seq.), as amended.

(9) Designate a member of the commission to participate, as appropriate, on a board, a commission, or another body established in Indiana to coordinate and plan services for blind and visually impaired individuals.

(10) Conduct a review of consumer satisfaction with the programs of the commission and perform other functions of the statewide rehabilitation council specified in section 105(c) of the Rehabilitation Act of 1973 (29 U.S.C. 749d), as amended.

(11) Adopt rules under IC 4-22-2 to carry out the programs of the commission.

(12) Develop and administer programs to further the provision of services to the blind and visually impaired as determined by the commission to fall within the commission's scope of responsibility.

C

y

(13) Apply for and receive money from a state or federal agency to support the programs of the commission and receive on behalf of the state gifts, donations, or bequests to be used to carry out the commission's duties under this chapter.

(14) Issue licenses to blind and visually impaired individuals to operate vending facilities under federal and state law.

(15) Establish and operate vending facilities for the placement of blind and visually impaired individuals in buildings owned or leased by the federal government.

(16) Establish and operate vending facilities in privately owned buildings.

Sec. 12. The commission may carry out the powers and duties enumerated in this chapter through:

(1) direct administration;

(2) a contract; or

(3) a cooperative agreement.

Sec. 13. Except as provided in section 15 of this chapter, the commission is given sole vending opportunities in buildings owned, leased in whole, or operated by the state or:

(1) a county;

(2) a township;

(3) a city; or

(4) a town;

in the state to provide blind and visually impaired individuals with remunerative employment and to enlarge the number of economic opportunities of blind and visually impaired individuals.

Sec. 14. (a) The commission shall establish vending facilities to sell newspapers, periodicals, confections, tobacco products, food, beverages, and other articles approved for sale by the commission and the custodial authority of the building.

(b) The location and type of vending facility established under subsection (a) must be determined by the commission in cooperation with the custodial authority of the building in which the vending facility will be operated.

Sec. 15. The commission shall relinquish the commission's exclusive right under section 13 of this chapter to operate vending services in a building if either of the following apply:

(1) A blind or visually impaired vendor is not available to provide vending services in the building.

(2) The custodial authority of the building shows to the satisfaction of the commission that good cause exists for not granting the commission the exclusive right to operate

vending services in the building, and the custodial authority files with the commission a signed affidavit to that effect.

Sec. 16. If the commission relinquishes the commission's exclusive right to operate vending services under section 13 of this chapter, the custodial authority of the building may enter into a contract not to exceed two (2) years with a person that is not blind or visually impaired for vending services in the building.

Sec. 17. The custodial authority of a building shall notify the commission before entering into or renewing a contract to operate vending services in the building with a person other than the commission.

Sec. 18. The commission may not place at a new vending facility a blind or visually impaired vendor who is already operating a vending facility unless the placement of the vendor at the new vending facility would leave a vacant vending facility that could be:

- (1) immediately filled by another blind or visually impaired vendor;
- (2) relinquished to the custodial authority under section 15 of this chapter; or
- (3) closed due to insufficient income producing potential.

Sec. 19. The commission shall seek out vending opportunities for blind and visually impaired individuals in public and private buildings.

Sec. 20. Payment for training of vendors under this chapter may be made from state, local, or federal money.

Sec. 21. (a) Before December 1 of each year, the commission shall prepare a report detailing the number of blind and visually impaired vendors placed by the commission in public and private buildings under this chapter.

(b) The commission shall publish an annual report, listing accomplishments, findings, and recommendations for improvement based on the commission's performance during the year.

(c) The reports required in subsections (a) and (b) shall be submitted to the chairperson of the:

- (1) health and provider services committee of the Indiana senate; and
- (2) public health committee of the Indiana house of representatives.

Sec. 22. A dispute arising from an action taken or a decision made by the commission must be addressed under IC 4-21.5.
